		Monthly fee	579.24	

Seq. No	Types of the services	Amount of the fee for 1 km of fibre, (EUR) price excluding VAT				Description of the service
1.	Where up to 50 km of optic fibres are leased	Monthly fee for 1 km of 1 fibre, EUR excluding VAT				The fibre of the optical fibre line is a part of the fibre of the optical fibre line of the access network which is laid between different optical switchgears, in which mechanical connections are installed. The fibre of the optical fibre line may be provided only if it is not used. The lease of the object enables the Lessee to create its own electronic communication services and provide them to its Ultimate Recipients of the Services through the Lessor's access network.
		Number of fibres				
		1	2	3	4	
		15.00	12.00	10.00	8.00	
2.	Where 50–100 km of optic fibres are leased	Monthly fee, EUR excluding VAT				
		Number of fibres				
		1	2	3	4	
		12.00	10.00	8.00	6.00	
3.	Where 100 km and more optic fibres are leased	Monthly fee, EUR excluding VAT				
		Number of fibres				
		1	2	3	4	
		10.00	8.00	6.00
